THE MB GROUP'S VISION PLATFORM

The Vision Platform is a cloud based, insurance portal for producers, agents, and enrollees. The system engine and data infrastructure offers SOC compliance, maintaining the highest security, processing integrity, and confidentiality.

- Agents and Producers can establish, enroll, and monitor their cases and commissions in a single highly accessible online system.
- Enrollees can login, elect their benefits and premiums, in a secure environment through a process that only takes minutes to complete.
